Book art exhibit to open at Bright Hill Center

TREADWELL — Bright Hill Center's Word & Image Gallery announces the opening reception and exhibit of the Fourth Annual Bright Hill North American Juried Book Arts Exhibit, featuring artists' books from throughout the United States and Canada.

The opening reception will take place from 3 to 5 p.m. Sunday at the gallery; the exhibit will remain through Oct. 29. Gallery hours are 10 a.m. to 4 p.m. Mondays through Thursdays. The center is located at 94 Church St., north of Barlow's General Store. The event is free and open to the public.

Book artists and educators Edward H. Hutchins of Fleetwood and Bertha Rogers of Treadwell selected the 49 books by 41 artists. According to Hutchins, "The show sets out to explore how text and image can be presented in a book format. The selected volumes wonderfully illustrate, pictures and words are just the starting Much more can be added to make a book compelling and exciting."
